Campaign Spending: [List of Filers](#)

I am a former criminal prosecutor and deputy city attorney. Presently, I manage a successful Internet-based, computer legal research service that serves clients in Hawaii and throughout the Pacific Rim. I hope to bring to the Legislature my legal experience and business background in an effort to give a voice to the residents of Hawaii Kai and serve the interests of all of Hawaii's children.

I hold two business degrees—an M.B.A. from the University of Hawai'i and a Bachelor of Science in Commerce from the University of Virginia. I earned my law degree from UCLA, where I served as Editor of the UCLA Law Review. I also hold a Certificate in International Management from the Pacific Asian Management Institute.

Prior to law school, I spent four years as a management consultant, where I helped design and develop financial accounting and management information systems for local, state, and federal government agencies. I have also consulted several local businesses, including HawaiiSuperFerry, 808Golf.com and Baby Emporium.

I am the founder of WeLoveHawaiiKai.com, a nonprofit organization which sponsors volunteer projects such as beach and graffiti clean ups. Our website also serves as an online bulletin board for our community.

My legislative priorities include improving public education, protecting our precious environment, and taking care of our elderly. Ultimately, my goal is to secure the future of Hawaii for my children and their generation. When they grow up, I want them to be able to live, work, and afford a home in Hawaii.
